BUILDING FOR THE CAUSE OF CHRIST

[www.cfcib.com](http://www.cfcib.com)

OCTOBER 2024

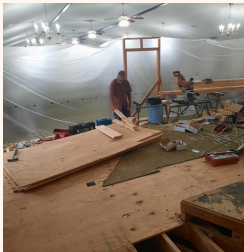

Nehemiah 2: 18b says “Let us rise up and build. So they strengthened their hands for good work.” Against much opposition, Nehemiah and the men were able to rebuild the wall in just 52 days. This was all because it was God’s will for them. By the time you receive this newsletter, Lord-willing, we will be starting on a project that involved waiting over 2-1/2 years. It’s evidence of how God’s timing may not be our timing, but it is the BEST timing! Please pray for the True Light Rescue Mission, Director Jamie Doss, Pastor Randy Cook, and the men of the mission as we endeavour on this project together.

We were able to help Tammy King of King Family Ministries with a few small projects and a green house. Continue to pray for her as they teach and reach young people in Danbury, NC.

We were also able to build a small office building at Mercy Mountain Girls Academy in Asheboro, NC. I would like to specifically thank David Eaton for his help as he has a servant’s heart.

Since our last newsletter, we have continued to help the Butcher Family with various parts of building their new house. In just 6 short months since their house fire, they have moved in and are getting settled. What a blessing it was to work alongside them. Please continue to pray that their needs be met as they travel to evangelize and help other churches and ministries.

We recently helped Fellowship Baptist Church in Williamston, NC, where Phillip Boseman is the Pastor. With the help of some men from the church, we were able to rebuild their pulpit area.

I want to specifically thank Pastor Erick Goff & his family, Aaron McCarther, Miguel Olvera, Ray Childers, James Wood, and Wayne Fann for traveling with us to Narragansett Bay Baptist Church in Warwick, RI. With the many hands, we were able to get much work done in a short amount of time. In just 4 days, we were able to lay 4000 sq ft of flooring and paint the fellowship building rooms. I also want to thank the folks of this church for their hospitality and being willing to work alongside us.

In August, we celebrated this past year by hosting our annual CFC Appreciation Banquet. There was about 115 people in attendance for this great day of fellowship. Thank you to all who took part, whether you attended, donated, or purchased, it is all a great blessing to the Craftsmen for Christ Ministry. You can view the photo slideshow of this past year’s projects on our website [www.cfcib.com](http://www.cfcib.com). I hope that you will go ahead and reserve the date for next year.

The Lord continues to bless, and we are so thankful that He allows us to serve. We ask that you continue to pray for us, and we would love for you to join us on a project.

Let’s Continue to Serve!
